

The Elements of Art

are the ingredients of art
(line, colour, value, shape/form, space, texture)

You are required to do some research on the *Elements of Art*. You may use books or search the web. When done, simply draw a symbol or picture for each of the elements in the boxes provided below to help you remember what they mean. **DO NOT** include text. **YOU ARE ENCOURAGED TO USE COLOUR.** This will be a **formative assessment** as part of the *Knowledge and Understanding area* on the unit rubric.

Level 0 The student does not reach a standard described by any of the descriptors.	Level 1-2 A3: The student has limited understanding of topic language and the principles and elements of art.	Level 3-4 A3: The student has satisfactory understanding of topic language and a satisfactory understanding of the principles and elements of art.	Level 5-6 A3: The student has a good knowledge of topic language and a good understanding of the principles and elements of art.	Level 7-8 A3: The student has well developed topic language and an excellent understanding of the principles and elements of art.
